that for officials who were under
training in the Sheldon class in
the year 1910-11 might be exempted
from payment of fees It is
now recommended that Government
sanction may be granted in respect of two officers
of the Bijapur Dist who were in
training in the Sheldon training class
The reasons which induced Govt
to exempt from payment of
fees the officers who were under training
in the Sheldon School in 1910-11
still hold good and I would
therefore recommend that sanction may be
extended to further orders to all
officials who were in training classes

training in the School

SUBJECT

Submitting copies of letters from the Deputy Commissioner, Mysore District, in the matter of admission of certain officials to the Govt Engineering School at Mysore to qualify themselves for the Shekdari appointment

Enc to Edn 76-12-1

Letter No 853 dated 21st March 1912, from the Deputy Commissioner, Mysore District, to the Revenue Commissioner in Mysore ~~District~~

I have the honor to state that C Krishnia h, Shekdar (Chikkayyana Chatra Hobli of the Nanjangud Taluk, who belongs to the old scale has passed the Revenue Lower Examination and wants to qualify himself for the new scheme as per rules 8(1) of the Government Order No R 2309-2/L R 150-06-1 dated 20th August 1906

When the Shekdari School specially opened for the Shekdars at Bangalore was abolished, the candidates who wished to undergo survey raining were directed to be sent to the Engineering school at Mysore

It was stated in your No 98-105 dated 2-7-09 that if any officials in service" are sent for training, they will have to be granted leave without pay It is not clear from this whether per -manent Shekdars of the old scale also are denied the concession of drawing their ~~pay~~ full pay while under training as stated in para 8 of the Government order referred to above

When a reference was made in this office No 992 dated 21st May 1909 regarding the allowances of two Shekdars "Newly entertained" it was remarked" hat payment by Government officials for attending the Engineering school at Mysore is not contemplated

It is very hard in the case of Shekdars of the old scale who have put in long service to deny them a chance of further qualifying themselves by refusing to grant them their leave allowances Their further training will be to the advantage of Government

The Shekdar in question has put in more than 15 years of service and has been a Shekdar from 1902 He is one of the best Shekdars of the old scale and has passed the Mysore Lower Secondary Examination

Under these

Under these circumstances I request you to kindly allow this Shekdar to draw his full pay during the period of training in accordance with the Government order of 1906, and also to obtain the orders of Government to allow him as a free candidate in the Engineering School as was done on a previous occasion (vide Government Order No 10392-4/Edn 258-09-4 dated 19-5-10 and your Memo No 11845-8 dated 27-5-10).

If it is not possible to allow him to draw his pay, I propose to grant him 3 months' privilege leave combined with one year's furlough to which he is entitled. In this case the Govern-ment will have to bear some extra cost

As the Shekdar wishes to join the School before June next, I solicit your early instructions in the matter so as to enable me to make the necessary arrangement for the discharge of the work

I have the honor to state that B Sreenivasiah, Deputy Gumasta of the Chamarajnagar Taluk, who is a Matriculate wants to qualify himself for a Shekdari under the new Scheme by undergoing the necessary training in the Government Engineering School, Mysore He prays that he might be admitted as a free student into the School

There is another candidate from the District who is now the Shekdar of Chikkian Chatra Hobli of the Nanjangud Taluk I brought his case to your notice in my letter No 853 dated 21-3-1912 and you were pleased to say in your docket No 11278 dated 4/8-4-1912 that a recommendation to admit him as a free student has been made to Government I request you to kindly consider the case of B Sreenivasiah also and obtain the sanction of Government to admit him as a free student in the Government Engineering School at Mysore
